

MyChart Billing Goes Paperless

On May 31, 2023, patients with a MyChart account* will be enrolled in paperless billing and will no longer receive billing communications in the mail.

Not sure if paperless is for you?

No problem. After May 31, 2023, log in to MyChart, go to Billing Summary and click the **cancel paperless billing** hyperlink at the bottom of the screen.

What is paperless billing?

Paperless billing means instead of receiving billing communications in the mail, an electronic version will be visible in your MyChart account under the Billing Summary.

For help with MyChart billing features, please contact our MyChart support line at 320-240-7897 Monday-Friday between 8 a.m. – 4:30 p.m.

* Patients who do not have a MyChart account will not be impacted.
